BSU CRITERIA IN SELECTING LOCAL PARTNERS

Approved during the Administrative Council meeting on March 31, 2021, through **ADCO Action No. 31-2021** and Approved by the BOR through **Board Resolution No. 204-2021** during its 197th Meeting on November 8, 2021.

Rationale: One way by which the university commits to meet its goals is by forging partnerships. Cognizant of the benefits that partnerships bring about from resources, learning, research, extension, and employment opportunities for graduates, the BSU continuously seeks and accommodates invitations for linkages with various entities such as local government units, private companies and professional organizations groups among others.

With the nature and scope of partnerships evolving tremendously, there is a need to adopt uniform guidelines in linkage establishment to ensure that the partnership will mutually benefit all parties. If approved, the guidelines will not just complete university guidelines in this aspect but satisfy accreditation requirements.
